## POWERTRAIN

### 4mo/4k MILES, 1 & 2 YEAR CONTRACTS

- **ENGINE:** All internally lubricated parts found within the Engine Block consisting of but not limited to pistons, piston rings, pins, crankshaft, main bearings, connecting rods and rod bearings, camshaft, camshaft phasers, camshaft bearings, timing chain and/or gears (tensioner and guides excluded), rocker arms, valves, valve springs, valve seats, valve guides, valve push rods, oil pump, VVT Actuators (Variable Valve Timing) and lifters. The engine block, cylinder head(s), and rotary housing are covered only when replaced with covered repairs.
- **TRANSMISSION:** All internally lubricated parts found within the bell housing of an automatic or manual transmission consisting of gears, main shaft, input and output shaft, ball gears, bearings, front pump, planetary assemblies, center support, chain, hub assemblies, synchronizers, shift rails, shift fork, overdrive housing/carrier, and transmission case if malfunction caused by covered parts. Reaction carrier, center support, parking lock actuator, stator and stator shaft, separator plate, pressure regulator valve, springs, governor assembly, accumulator plate, valve body, torque converter, flex plate, and flywheel. Transmission case only if damaged by a covered component internal to the transmission/transfer case housing. There is no coverage for clutches of any kind, including dual clutches.
- **COOLING SYSTEM:** Water pump (excludes auxiliary water pump) and thermostat.
- **DRIVE AXLE ASSEMBLY (Front or rear wheel drive):** Drive shaft, ring and pinion gears, pinion bearings, carrier assembly, thrust washers, axle, and limited clutch pack assembly. Differential, internally lubricated parts within the differential housing are only covered with a covered repair, and universal and CV joints; there is no coverage if the boot is damaged and/or missing.
- **ALL WHEEL AND FOUR WHEEL DRIVE:** Transfer case including gears, drive chain, main shaft, thrust washers/shims, and bearings. Differential, internally lubricated parts within the differential housing are covered only when in conjunction with a covered repair, front drive shaft, axles, universal joints, and CV joints; there is no coverage if the boot is damaged and/or missing.
- **TURBO/SUPERCHARGER:** Turbo or supercharger, wastegate, and control module.
- **FUEL:** In tank Fuel pump, metal fuel lines and metal fuel tank. There is no additional electrical component coverage under this section.

### 3 - 5 YEAR -OR- LIFETIME ADDITIONAL COMPONENTS

- **AIR CONDITIONING SYSTEM:** Compressor, condenser, evaporator, accumulator, front blower motor, blower motor resistor.
- **FUEL SYSTEM:** Fuel injectors, diesel injectors. There is no additional electrical component coverage under this section.
- **OIL SEALS AND GASKETS:** These are found within the Engine Block, Transmission bell housing, and Transfer case. They exclude exhaust system gaskets and intake manifold gaskets.
- **ELECTRICAL:** Alternator, starter motor, voltage regulator and distributor.

## ESSENTIALS

### 4mo/4k MILES - LIFETIME CONTRACTS

#### ESSENTIALS COVERAGE includes all of Powertrain Coverage items plus items detailed below:

- **AIR CONDITIONING:** Compressor clutch, clutch coil, clutch bearing, AC dash control and modules, receiver, receiver drier, orifice tube, compressor seals, field coil, expansion valve, pressure cycling switch, inside ambient temperature sensor.
- **SUSPENSION:** Stabilizer bar, links, bushings, torsion bars, sway links, sway bars (excludes electronic and hydraulic sway bars), and front or rear wheel bearings.
- **STEERING COMPONENTS:** All internally lubricated parts consisting of steering gear, rack and pinion, power steering cooler, and lines, power steering pump (electric or engine-driven), steering column shaft and couplings, steering box, drag links, idler arm, pitman arm, and tie rod ends.
- **BRAKES:** Wheel cylinders, disc brake calipers, proportioning valve, master cylinder, power brake booster.
- **ELECTRICAL:** Front or rear wiper motors (head lamp wiper assemblies are NOT covered), power window motors and regulators, power seat motors, power door lock actuators, starter motor solenoid, horns, neutral safety switch, reverse indicator switch, turn signal switch, washer pumps, ignition igniter and module, coil packs, crankshaft position sensor, camshaft position sensor, head lamp switch and lock cylinder, knock sensor and stop lamp switch.
- **RENTAL CAR:** We cover one (1) day of rental reimbursement for the first four (4) hours of covered labor and 1 day of rental for every 8 hours of covered labor thereafter up to thirty-five dollars (\$35.00) per day. The total rental coverage cannot exceed two-hundred-twenty-five dollars (\$225.00).

## PLUS

### 4mo/4k MILES - LIFETIME CONTRACTS

#### PLUS COVERAGE includes all of Powertrain and Essentials Coverage items plus items detailed below:

- **COOLING SYSTEM:** Fan and fan clutch, primary electric fan motor, heater core valve, and radiator.
- **SUSPENSION:** Front or rear leaf or coil springs only if broken. Control arms, control arm bushings, upper or lower ball joint, control arm shafts, hub assembly, spindles, radius arms, and bushings. There is no electrical component coverage under this section. Excludes Air Springs.
- **FUEL SYSTEM:** Fuel pressure regulator(s), fuel gauge, control valve, fuel injection pump and fuel sending unit.
- **CRUISE CONTROL:** Cruise control switches and actuator.

## BRONZE

#### BRONZE COVERAGE includes all of Powertrain Coverage items plus items detailed below:

- **AIR CONDITIONING:** Compressor clutch, clutch coil, clutch bearing, AC dash control and modules, receiver, receiver drier, orifice tube, compressor seals, field coil, expansion valve, pressure cycling switch, inside ambient temperature sensor and accumulator.
- **ELECTRICAL:** Front or rear wiper motors (head lamp wiper assemblies are NOT covered), power window motors and regulators, power seat motors, power door lock actuators, starter motor solenoid, horns, neutral safety switch, reverse indicator switch, turn signal switch, washer pumps, ignition igniter and module, coil packs, crankshaft position sensor, camshaft position sensor, head lamp switch, blower motor speed switch, ignition switch and lock cylinder, knock sensor and stop lamp switch.
- **COOLING SYSTEM:** Fan and fan clutch, primary electric fan motor, heater core valve, and radiator.
- **FUEL SYSTEM:** Fuel pressure regulator(s), fuel gauge, control valve, fuel injection pump, and fuel sending unit.
- **CRUISE CONTROL:** Cruise control switches and actuator.
- **STEERING COMPONENTS:** All internally lubricated parts consisting of steering gear, rack and pinion, power steering cooler, and lines, power steering pump (electric or engine-driven), steering column shaft and couplings, steering box, drag links, idler arm, pitman arm, and tie rod ends.
- **SUSPENSION:** Stabilizer bar, links, bushings, torsion bars, sway links, sway bars (excludes electronic and hydraulic sway bars), and front or rear wheel bearings. Front or rear leaf or coil springs only if broken. Control arms, control arm bushings, upper or lower ball joint, control arm shafts, hub assembly, spindles, radius arms, and bushings. There is no electrical component coverage under this section. Excludes Air Springs.
- **BRAKES:** Wheel cylinders, disc brake calipers, proportioning valve, master cylinder, power brake booster. There is no electrical component coverage under this section.
- **RENTAL CAR:** We cover one (1) day of rental reimbursement for the first four (4) hours of covered labor and 1 day of rental for every 8 hours of covered labor thereafter up to thirty-five dollars (\$35.00) per day. The total rental coverage cannot exceed two-hundred-twenty-five dollars (\$225.00).

## SILVER

#### SILVER COVERAGE includes all of Powertrain Coverage and Bronze Coverage items plus items detailed below:

- **ELECTRICAL:** Sunroof motors, convertible top motors or actuators, power antenna, power mirrors, power trunk, tailgate, hatch, and side door motors or actuators (including vacuum motors or actuators), remote door lock receivers, wiring harnesses, all manually operated switches, and driver information gauges.
- **OIL SEALS AND GASKETS:** Intake Manifold Gasket.
- **COOLING SYSTEM:** Fan control module, heater motor, heater control module, heater core, coolant pump for heater, coolant heater solenoid or control valves, radiator heater core, heater control valve, and fan blades. There is no additional electrical component coverage under this section.
- **FUEL SYSTEM:** Fuel control module, fuel rails.
- **BRAKES:** All brake components, including all components of the anti-lock brake system including: front or rear calipers, brake springs, pins, and hardware kits, wheel speed sensors (sensors damaged by bad wheel bearings are not covered), brake hoses, brake lines, brake combination or ABS pump, ABS module, ABS hydraulic unit, ABS hydraulic control unit, ABS accumulator, parking brake actuator. There is no additional electrical component coverage under this section. (NOTE: Brake linings, pads, rotors, brake wear sensors and drums are NOT covered).

## GOLD "EXCLUSIONARY"

#### GOLD EXCLUSIONARY COVERAGE includes all factory-installed mechanical or electrical components except for the following items listed below:

##### EXCEPTIONS TO GOLD COVERAGE:

- Carburetor, battery, battery cables, shocks, shock absorbers; manual and hydraulic clutch assembly, such as but not limited to: manual clutch pedal, friction clutch disc, pressure plate and throw out bearing; manual and hydraulic linkages, dual clutch, transmission cables and brake cables, distributor cap and rotor, safety restraint systems (including air bag systems), glass; any component that its only purpose is for illumination, such as but not limited to: lens degradation, LEDs, sealed beams and light bulbs; fuses, circuit breakers, brake rotors and drums, exhaust systems (including catalytic converters), windshield wiper arms, weather strips, trim, moldings, bright metal, chrome, upholstery and carpet, zippers, fasteners, freeze plugs, cup holders, dash pad, squeaks, rattles, water leaks, wind noise, paint, outside ornamentation, inside and outside door handles, mirrors, mirror housings, hubcaps, bumpers, body sheet metal and panels, body parts, frame, brackets and structural body parts, vinyl and convertible tops, tires, wheels/rims/studs.
- For maintenance services and parts described in your vehicle owner's manual as supplied by the manufacturer and other normal maintenance services and parts which include, but are not limited to: alignments, adjustments, cleaning, wheel balancing, tune-ups, spark plugs, spark plug wires, glow plugs, hoses (except high-pressure steering and air conditioning), drive belts, brake pads, brake linings/shoes, wiper blades, shop supplies, and environmental waste charges. Filters, lubricants, coolants, fluids, and refrigerants may be covered if replacement is required in connection with a breakdown.
- There is no coverage on GPS systems or satellite receivers of any type.
